CHESS 2026/2027 Grades 3-5 Course Descriptions

Art; 8:15

In this two-semester course for grades 3-5, we will focus on the basics used for many different art forms, such as painting, pencil, and pen. We will consider composition and color; for example, how to set up and lay out a picture and image, and how to achieve the correct color, as well as understanding how colors work together. Each of these components will point us to what God has designed and created for us with the goal of helping students become more confident in their skills and ability to be artistic. This class will have a little homework.

Drama (grades 4 – 12); 8:15

During this two-semester course, students will learn how to put on a theatrical performance. Each week we will learn various acting skills and terms. These include how to project our voices, understanding how and when to move on stage, becoming your character, and many other things! We will use theatrical games and exercises to help us learn these things - all leading up to our performance in the spring! Students will also learn that all media, including stage performances, should be for the glory of God. Our play will give us plenty of opportunities to talk about the gospel and growing in Godly maturity.

Zoology I; 8:15

This two-semester course is for early to mid-level readers. We will work from book 1 (Flying Creatures of the Fifth Day) of the Apologia Zoology series. Your student will be in awe of God's amazing creation as they learn of His amazing designs and purposes revealed in His flying creatures! Successful students will be reading weekly, either independently or with a parent, and will also have oral reports to present to the class. Quizzes and tests will be grade-appropriate and can be accommodated to the needs of various reading levels. A favorite project for this class each semester is the creation and display of dioramas at our semester Student Showcase Night!
