Our Policy

Doctrinal Statement of Colorado Heritage Education School System

The Bible is the inspired and infallible Word of God and constitutes His completed and final revelation to man. The Bible, in its original autograph, is without error in whole and in part, including theological concepts as well as scientific (literal six-day creation) and historical details (catastrophic worldwide flood). God has existed from all eternity in three persons: God the Father, God the Son, and God the Holy Spirit. Jesus Christ was God come in human flesh being fully God and fully man, except without sin. All men are born in sin and are therefore under God's condemnation. Jesus Christ, was born of a virgin, came and paid the penalty for man's sin through His substitutionary death on the cross, the successful accomplishment of which was attested by His subsequent visible, bodily resurrection. Salvation is offered as a gift, free to the sinner. This gift must be responded to in individual faith, not trusting in any personal works whatsoever, but in the sacrificial death of Jesus Christ alone. By belief in Christ, the person is eternally secure and escapes the eternal punishment of hell and awaits eternity in heaven. God has established the human institutions of family, church, and government to carry out His principles. The believer has the hope of Jesus Christ's imminent return.

Philosophy of Ministry

Colorado Heritage Education School System is a ministry to homeschool families as they pursue the knowledge of God through academic excellence. All parts and branches of Colorado Heritage Education School System exist primarily to bring glory to God. We believe the best way to accomplish this goal is by encouraging parents in their home school endeavors and providing resources that would benefit families both academically and spiritually. We desire to see young people follow Christ with all of their hearts.

I agree, by signing, with the above statements and will not undermine or denigrate any of the tenets in the doctrinal statement or philosophy statement while performing my tasks as a volunteer.
