Colorado Heritage Tuition Policies

Please note: Colorado Heritage classes are full-year classes (2 semesters: fall and spring). Enrolling in a class at Colorado Heritage is a commitment to class attendance for the full school year *as well as a commitment to pay the full school year tuition* and other fees as applicable. Please see policies below for more details.

10/8 Billing Plan

We bill using a 10/8 billing plan for families who wish to pay their tuition over several months. Please note that automatic payments are not available. (If you want to pay your full tuition at the time of registration, you may do so after you have made your 10% down payment at time of class registration. After the 10% has been paid, you may then pay the remaining balance through your Praxi Parent Portal.)

10/8 Details

10% Down: 10% of total school year tuition, study hall(s) (if applicable), and supervised lunchroom (if applicable) is due upon class registration. Lab/material fees and the per student yearly tech fee are due in full upon class registration *and are non-refundable.*

8 Months: The remaining school year tuition balance is divided into 8 invoices. Account holders will receive an invoice via email on the first day of 8 consecutive months. Your billing period start date (see below) will depend on your class registration date. Each month's payment is due upon receipt of the month's invoice.

Billing periods:

- August through March
- September through April

Balances not kept current will result in grades/transcripts being withheld (and exclusion from our graduation ceremony, if applicable). If balances become 60 + days past due, account holders will be contacted. Please watch your emails and check your Praxi Parent Portal ***monthly*** *to track your balance.*
